

EUSIPCO 2019

27th European Signal Processing Conference
A Coruña Spain, September 2-6, 2019

CALL FOR PAPERS

The 2019 European Signal Processing Conference (EUSIPCO) will be held in the charming city of A Coruña, Spain, from September 2 to September 6, 2019. This flagship conference of the European Association for Signal Processing (EURASIP) will feature a comprehensive technical program addressing all the latest developments in research and technology for signal processing. EUSIPCO 2019 will feature world-class speakers, oral and poster sessions, plenaries, exhibitions, demonstrations, tutorials, and satellite workshops, and is expected to attract many leading researchers and industry figures from all over the world

TECHNICAL SCOPE

We invite the submission of original, unpublished technical papers on topics including but not limited to:

- Audio and acoustic signal processing
- Speech and language processing
- Image and video processing
- Multimedia signal processing
- Signal processing theory and methods
- Sensor array and multichannel signal processing
- Signal processing for communications
- Radar and sonar signal processing
- Signal processing over graphs and networks
- Nonlinear signal processing
- Statistical signal processing
- Compressed sensing and sparse modelling
- Optimization methods
- Machine learning
- Bio-medical image and signal processing
- Signal processing for computer vision and robotics
- Computational imaging / spectral imaging
- Information forensics and security
- Signal processing for power systems
- Signal processing for education
- Bioinformatics and genomics
- Signal processing for big data
- Signal processing for the internet of things
- Design/implementation of signal processing systems

Accepted papers will be included in IEEE Xplore®

Full details about the conference are available at

IMPORTANT DATES

Special Session and Tutorial Proposals – **December 24, 2018**

Satellite Workshop Proposals – **January 21, 2019**

Full Paper Submission – **February 18, 2019**

Notification of Acceptance – **May 17, 2019**

Final Manuscript Submission – **May 31, 2019**

GENERAL CO-CHAIRS

Mónica F. Bugallo, Stony Brook University, USA

Luis Castedo, University of A Coruña, Spain

TECHNICAL CO-CHAIRS

Maria Sabrina Greco, University of Pisa, Italy

Marius Pesavento, University of Darmstadt, Germany

PUBLICATIONS CO-CHAIRS

Andrea Ferrari, University of Nice Sophia Antipolis, France

Luca Martino, University Carlos III of Madrid, Spain

FINANCIAL CHAIR

Ignacio Santamaría, University of Cantabria, Spain

SPECIAL SESSIONS CO-CHAIRS

Markus Rupp, Vienna University of Technology, Austria

Danilo Mandic, Imperial College London, UK

TUTORIALS CO-CHAIR

Aleksandar Dogandžić, Iowa State University, USA

Mario A.T. Figueiredo, University of Lisboa, Portugal

SATELLITE WORKSHOPS CHAIR

Wolfgang Utschick, Technical University of Munich, Germany

STUDENT ACTIVITIES CO-CHAIRS

Pau Closas, Northeastern University, USA

Jordi Vilà-Valls, CTTC, Spain

INDUSTRIAL PROGRAM CHAIR

Víctor Elvira, IMT Lille Douai, France

PUBLICITY CHAIR

Javier Via, University of Cantabria, Spain

INTERNATIONAL LIAISONS

Ke Guan, Beijing Jiaotong University, China

Henry Argüello, Industrial University of Santander, Colombia

LOCAL CHAIR

Roberto López-Valcarce, AtlanTTic, University of Vigo, Spain
